

Withdrawal notice and model withdrawal form

Quinq Solo and Team licenses

Withdrawal notice

Right of withdrawal

You have the right to withdraw from this contract within 14 days without giving any reason.

The withdrawal period will expire after 14 days from the day of the conclusion of the contract.

To exercise the right of withdrawal, you must inform us (Frexes (Quinq), Hela Azzabi, Sommerstr. 33b, 13409 Berlin, Germany, hello@quinq.dev) of your decision to withdraw from this contract by an unequivocal statement (e.g. a letter sent by post or an email). You may use the model withdrawal form below, but it is not obligatory. You can also write to Polar at support@polar.sh.

To meet the withdrawal deadline, it is sufficient for you to send your communication concerning your exercise of the right of withdrawal before the withdrawal period has expired.

Effects of withdrawal

If you withdraw from this contract, we shall reimburse to you all payments received from you without undue delay and in any event not later than 14 days from the day on which we are informed about your decision to withdraw from this contract. We will carry out such reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement. Your access to the repository and your license end with the withdrawal.

Early expiry of the right of withdrawal

Quinq is digital content not supplied on a physical medium. Your right of withdrawal ends early once delivery has begun, provided you (1) expressly agreed at checkout that delivery starts before the withdrawal period ends, (2) acknowledged that you lose your right of withdrawal once delivery starts, and (3) received a confirmation of this by email (§ 356(5) BGB, Art. 16(m) Directive 2011/83/EU).

For Quinq, delivery happens when you accept the GitHub invite to the private repository. Until you accept it, you can withdraw within the 14 days.

End of withdrawal notice.
